

## CRADLE TO CRAYON

"Cradle to Crayon" is a workshop organized by Peerless Hospital under the IAP action plan-2018 for the IAP & GDBP Subspecialty Chapter. This programme is about common paediatric developmental and behavioral problems like autism, attention deficit hyperactivity and difficult adolescent behavior. The focus is screening and early detection followed by the next step, i.e. early intervention. Those attending the workshop can benefit from the expertise of the members of the national faculty coming from different parts of the country.

### Who should attend:

Paediatricians, General Physicians, Psychologists, Counselors, Special Educators and Therapists

**Date & Time:**  
22nd June 2018;
